Personal Essay (500 words) (Double Spaced – 12 Font – Times New Roman)

Student instructions: Compose an essay that explains your educational plans and how those plans will lead to your career or personal goals. This statement should include a personal narrative of your life thus far, and a description of how any family, social, spiritual, or community activities have influenced your skills or outlook. List special achievements or honors you have achieved during your four years of high school. This statement should give the reader an idea of what you are like. Your essay will be a significant part of your application, so please give it considerable thought.
